# Information For Buyers

**HOTEL RESERVATIONS** — It is necessary for all who plan to attend this Congress to make whatever hotel reservations are required as far in advance as possible. The Abraham Lincoln Hotel in downtown Springfield has been established as headquarters and the management will make every effort to accommodate you. Mention the Polled Shorthorn Congress. Address Mr. R. W. Frank, Hotel Abraham Lincoln, Springfield, Illinois.

**SHIPPING ARRANGEMENTS** — It is the obligation of the consignors and this Society to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK.**

**LIABILITY** — Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Society, nor its representatives, nor the auctioneers, or clerks, can assume any liability for accidents.

**TERMS** — The terms of the Sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

**GUARANTEE** — All animals sold in this sale will be backed by the Standard Quarantee endorsed by the American Shorthorn Association, which is printed in this catalog.

**AUCTIONEERS** — C. D. Swaffar, Tulsa, Oklahoma and Luke Gaule, Springfield, Ill.

**MAIL BIDS** — Those unable to be present who desire to take advantage of the buying opportunities in this sale, may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be happy to handle buying orders for you. They may be contacted at the addresses listed, or they can be reached in Springfield in care of Abraham Lincoln Hotel.

## *Standard Guarantee of American Shorthorn Ass'n.*

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

TO ALL GUESTS OF THE CHARLES J. LYNN MEMORIAL CONGRESS

Dear Friends:

We welcome you to our 19th Annual National Polled Shorthorn Congress.

We gratefully acknowledge the help of all the individuals and organizations who contributed so faithfully to this event. The officers and members of the Illinois Polled Shorthorn Association have done an outstanding thing in making arrangements for the Congress and providing financial assistance.

Our thanks go to the Illinois State Department of Agriculture for their kind help in providing the Grand Champion Bull and Grand Champion Female trophies.

As in the past years, the \$1000.00 premium money for group classes was provided through the generosity of Mrs. Charles Lynn, continuing the practice followed by Charles J. Lynn for several years. This act has contributed in great measure to the success of past Congress events and will continue to serve this one in 1959.

We, of course, express our thanks to the consignors who have made available the fine animals presented in the Memorial Congress. Their continued support of our national event has made it possible for us to increase numbers to 81 head in this year's show and sale.

We are all indebted to you who have attended our Congress this year, and we bid you welcome and wish you a pleasant two days.

Most sincerely,

Walter Larson,  
President

BEACON'S LEADER x - The Bull of the Year! The Reserve Senior Champion of the 1958 International Stock Show. An outstanding show bull and a breeding bull of superior merits. This bull is very well balanced, has straight top and under lines, with extreme depth of body, well set shoulder's, full heart girth and deep quarters, showing exceptional smoothness throughout. He has an outstanding record rate of gain of 2.6 lbs. per day from birth to 18 months of age. He has proven a great breeding sire, have 10 calves by him, 100% polled, dark reds, and deep-bodied. We have 15 additional cows mated to him and have 30 half-sisters that we are retaining in the herd. We bred and raised him from the outstanding Countess Duchess family, originated from Hultines. Don't forget, a full sister, Countess Duchess 57th x was the first prize summer yearling heifer at the 1958 International.

LYNNWOOD CORNERSTONE x - Is the last son of Lynnwood Leader, the greatest improving sire ever used at Lynnwood. Lynnwood Cornerstone won his class at Fort Worth and San Antonio in 1958 in mixed competition. He was third at the 1958 International in the class from which the Grand Champion bull came and the top bull in our own sale. A full sister to Lynnwood Cornerstone was sold to the Westdrums herd in Scotland, where she is proving to be a good brood cow. Lynnwood Bridget, the dam of Lynnwood Cornerstone, is one of the best cows in the herd; in addition to being the right type, she is an extremely heavy milker. Her sire was an Indiana State Fair, Grand Champion bull. The dam of Lynnwood Bridget is a daughter of Edellyn Royal Leader 2d. Lynnwood Cornerstone carries two crosses of that great improving sire.

HOME AGAIN MASTERMAN x - A rugged, growthy, weight for age bull. Weighed 615 lbs. at 7 1/2 months of age. Herd Federally Accredited for Bangs & T. B.

National Polled Shorthorn Congress

# = Polled and Profitable

Yes, he's polled and he's profitable.

He's a Polled Shorthorn Bull and it's profitable to breed bulls like him because more and more commercial producers are demanding Polled Shorthorns.

These commercial producers know Polled Shorthorns sire healthy calves — calves that gain faster, bringing a high return on investment. The Polled Shorthorn also dehornes the calves, making them easier to handle, and easier to sell.

Polled Shorthorns are a modern breed . . . with calves that will rapidly convert grass, or grain, into high quality beef . . . giving producers and feeders a faster gaining and a more profitable calf.

That's why there's a growing demand for pure-bred Polled Shorthorns.

And why it's profitable to breed them.

Visit your neighbor who raises Polled Shorthorns or write the American Shorthorn Association for sources of supply. Breed for a rapidly expanding bull market . . . breed Polled Shorthorns.

Six husky youngsters on grass at the Wa-Wylo Farm at Millington, Tennessee. Half-brothers of these herd improving individuals and half-sisters are offered in this 1959 Memorial Congress Sale. The South has appreciated the Polled Shorthorn for many years, and their growth in that area is continuing day by day. These fine individuals can stand with any breed and hold their own in the market. Weight for age, rugged doing ability and modern beef type make the Polled Shorthorn America's most sought after beef breed.

California is the setting for this well-balanced herd of efficient Polled Shorthorns. The ability of the Polled Shorthorn to readily convert grass to red meat is evidenced in the deep bodied, thick shoulders being looked at by the rugged, well-balanced herd bull. Here, as all over the nation, ranchers are finding the hornless characteristic practical and profitable to their operation.

The growing influence of Polled Shorthorn is apparent in these rugged, practical bulls from the Pacific Northwest. They are working improvement in straight bred and crossbreeding herds all over the nation. These range bulls are ready to put profit into commercial cattle operations in the western part of the United States.

EUREKA SECRET 17TH x - The first daughter of Eureka Fascination that we have sold. Since this is also our first entry to the Polled Congress we felt we should offer a top animal, which we have done. A member of our show herd this past season. She stood next in class to the Grand Champion female at the Ohio State Fair, was first in class and Reserve Junior Champ. in horned competition at the Michigan State Fair, won her class at Harrisburg, and stood third in horned competition at the Eastern National. Certainly one of the top females to be sold at auction this year. Sells open with breeding privileges to one of two International Champion bulls. Certified Brucellosis 15511 & T. B. 507260.

Dk. Roan, C. B. Teegardin & Sons

Lady Stardale 2631448

Roan, J. C. Wahls

TIMBERLEE'S WIMPLE x - Is a heifer that should be shown next year. She is an even roan, possesses a very nice breedy head, and is extremely deep for a calf. Her dam has a lot of scale and is a constant producer of top calves for us. There have been some excellent calves out of Defender's Glory dams at our farm recently. Sells Open. Herd T. B. & Bangs Certified.

The Charles J. Lynn Memorial

WALTER F. DILATUSH

FEMALE

WAWYLO T MAYFLOWER x2989-724 R-D485

74

Red, calved January 4, 1958. Bred & Consigned by Walter F. Dilatush, Millington, Tennessee.
